

## EUROREGION FOTO

This project has its origin in the Czech-Polish co-operation between the company Eurocentrum in Jablonec nad Nisou and the district of Jelenia Góra, represented by the Department of Promotion, Tourism and Sports. It is a series of four exhibitions of photographs by authors from the Czech Republic and Poland who are members of the Association of Photographers of the Euroregion Nisa KONTAKT. The photographs portray, according to their themes, the scenic beauties and places of interest in the Euroregion Nisa.

### Series of exhibitions:

24. 02. – 25. 04. 2006 „The mountains that unite us“  
28. 04 – 27. 06. 2006 „The architecture around us“  
30. 06. – 31. 08. 2006 „In natural surroundings“  
05. 09. – 05. 11. 2006 „How do we live“

## Association of Photographers from the Euroregion Nisa KONTAKT

originated in 2000. Currently there are about 120 members from the Czech Republic, Poland and Germany. To the most important exhibitions belong e.g. the biennial Black-and-white Photography, the ecological competition A Country of Paradise, the annual members' exhibition in the Belveder Gallery in Jablonec nad Nisou. KONTAKT organizes for its members, friends of photography, for young or beginning authors regular discussion, courses, photo workshops, photo excursions and other events. With its activities KONTAKT encourages the interest of non-professionals in artistic photography.
